SUMMARY

Hi I am Puskar Simkhada and a BCA student with a passion for web development and a strong foundation in computer science principles. Eager to apply theoretical knowledge and hands-on skills acquired through coursework and personal projects to contribute to innovative web development initiatives. I know HTML, CSS, JavaScript, and eager to learn new technologies to enhance proficiency. Seeking opportunities to gain practical experience and make meaningful contributions to web development projects while pursuing academic excellence in BCA.

TRAINING/CERTIFICATIONS

RESPONSIVE
DESIGN
2024

FreeCodeCamp

I got my Responsive Design Certification from freeCodeCamp, signifying my ability to craft websites that look fantastic and perform flawlessly across all devices, including computers, tablets, and smartphones.

INTERSHIP
2024

Encryptrix

During my one-month internship at Encryptrix, I had the opportunity to enhance my skills in web development significantly. The internship involved working on various projects that allowed me to apply and expand my knowledge in HTML, CSS, and JavaScript.

ACADEMY

**BACHELOR OF
COMPUTER
APPLICATION
(BCA)**
April, 2021 -
Present

● **Oxford College of Engineering and Management , NawalPur**

I am currently pursuing a Bachelor of Computer Applications (BCA) degree, which is a 8 Semester undergraduate program focused on computer science and its applications. Throughout my studies, I have gained a comprehensive understanding of fundamental computer science concepts, including programming languages such as C, C++,java, html,css and javascript.

+2

● **New Capital College , Tandi**

I have completed+2 level in New Capital college securing a good marks.

1 TO 10TH

● **Sikshya Bikash English Boarding School , chitwan**

I have completed my schooling in Sikshya Bikash English Boarding School.

PROJECTS

● **Gadgetwiz**

I have build a Gadgetwiz Ecommerce website using html, css and javascript. User can explore different products like smartphone, laptops, watch and other accessories. It offers responsiveness, dynamic content, cross-browser compatibility and user friendly experience.

● **Portfolio**

I have developed a dynamic portfolio website utilizing HTML, CSS, and JavaScript to showcase my skills, projects, and experiences. Integrated React.js to enhance interactivity and user experience, providing seamless navigation and engaging visual elements.

● **Youtube Clone**

A React-based YouTube clone featuring a dynamic video streaming experience. This application includes video recommendations, a detailed comment section, and categorizes videos into various sections like music, gaming, and sports.

● **Rock Paper Scissor**

A fun Rock Paper Scissors game built with HTML, CSS, and JavaScript. Play against the computer and see who wins with a clear and easy-to-use design.

LANGUAGE

● Nepali

● English
